Objective: I would like to obtain a job as an elementary school teacher.

Education:

2005-2010 Rowan University Glassboro, NJ  
Elementary Education, Writing Arts, Minor in Spanish

Previous Work Experience:

Volunteer(2000-2005), Lifeguard(2001-2003), Assistant Manager of Frame Shoppe(2003-2005), Waitress(2005-Present)

I began as a volunteer for the Specialized Children's Hospital in Toms River when I was thirteen. I worked with many children, including some with terminal illnesses.

Since many of the children lived in the hospital, it was my job to make their time spent there as fun as it could be. I played games with the children, took them for walks in their wheelchairs around the hospital neighborhood, painted the girls' nails, listened and hummed along to music, watched movies, and much more. I also went on day trips with them to animal farms, movie theatres, and museums.

2001-2003 Manasquan River Yacht Club  
Lifeguard

As a lifeguard my duties were to make sure the members were safe. I also had to make sure the swim club remained clean and safe. Many times I would play with children in the pool as well as teach the little ones how to swim.

2003-2005 Great Pacific Frame Shoppe Point Pleasant Beach, NJ  
As an assistant manager of the frame shoppe I helped people custom frame their pictures. I maintained the shoppe and took care of ordering supplies.

2005-Present Point Pleasant Beach, NJ  
Waitress

I waitress at Martell's Tiki Bar over the summer. It's an outdoor bar located on the beach. We have live bands every day and night throughout the

summer. It's a carefree environment to work in and I will continue to work there during my summers off as a teacher.
