

Sustainable Engineering in London, England

with Dr. Peter Jansson

Your program cost of \$3,700 includes the following:

- 3 credits tuition (\$1,000 paid directly to Rowan Bursar's office – details below)
- On-site orientation
- International medical insurance
- 2 group dinners
- Internet access
- Cultural excursions (including transportation, entry fees and guides)

Roundtrip airfare is not included and is estimated at \$1,000. Your group flight will be arranged through the International Center. You will be informed of the total cost after the application deadline.

Listed below are items NOT included in your program that you may want to budget for:

- Books and supplies = *\$100*
- Meals = *\$150 per week*
- Spending money/optional travel = This will vary for each student but the suggested guideline is *\$100 - \$200/week*

Timeline for your Program:

Friday, February 27, 2009 -	Application and \$200 deposit due. This program is limited to the first 25 students who submit completed applications to Dr. Jansson.
Tuesday, March 10, 2009 –	First payment of \$2,000 due to the International Center. Checks made payable to International Center, Rowan University.
Mid March –	Your tuition for this program is \$1,000. You will receive your tuition bill from Rowan in mid March. Payment is due directly to the Bursar's Office in April.
Late March -	You will receive an email with the cost for your roundtrip airfare.
Friday, April 17, 2009 –	Final payment due to International Center (This amount will include the cost of your airfare, and any balance due for your program. Please note: all deposits will be reflected in this amount.)
Thursday, April 30, 2009 –	Pre-departure meeting (Owl's Nest 5pm)
Sunday, May 17, 2009 –	Depart the US
Saturday, June 6, 2009 –	Return to the US
